

## Hurricane Relief Supplies Needed

A Miami-based large-scale general contractor, Kenneth Batchelor, an Episcopalian, has been sending direct aid to storm-affected areas in Mississippi and Louisiana. Each Friday a convoy of trucks leaves from Miami; this will continue for the foreseeable future. The convoy works with local sheriffs and the National Guard to ensure the safe and fair distribution of goods.

Mr. Batchelor will dispatch trucks to collect goods from any church within the Diocese of SE Florida. The material needs to be collected **BEFORE NOON ON THURSDAYS**. For more information, contact St. Stephen's Church (305) 448-2601, or Kenneth Batchelor (305) 854-1722; (786) 553-9502 (cell); [kbatchelor@cmcrealestate.com](mailto:kbatchelor@cmcrealestate.com).
